This notice explains what personal data (information) we hold about you, how we collect, how we use and may share information about you. We are required to give you this information under data protection law.

Creech St Michael Primary School is the 'data controller' for the purposes of data protection law. Our Data Protection Officer (DPO) is Amy Brittan (see 'Contact' below).

### The personal data we hold about you

The personal data the School will collect from volunteers includes the following:

- full name & title

- experience
- Disclosure and Barring Service (DBS) checks
- any other relevant information you wish to provide to us

We use your data for completing DBS checks; assessing your suitability for the role of volunteer; adding data to the Single Central Record; and retaining contact information in case we need to get in touch with you.

### Our legal basis for using this data

Under the UK General Data Protection Regulation (UK GDPR), the lawful bases we rely on for processing volunteer information are:

- *Article 6 (1) (c) Legal obligation*: the processing is necessary for us to comply with the law; we are required to collect information about our volunteers under
  - School Staffing (England) regulations 2009
  - Safeguarding Vulnerable Groups Act 2006
  - The Childcare (Disqualification) Regulations 2009
  - Keeping Children Safe in Education 2016

- We may also share your information if we need to protect your *vital interests* (or someone else's interest) e.g. in a life or death situation we may share information with healthcare professionals

## **Collecting this information**

Personal data is only collected from you. No third parties will be contacted to obtain personal data pertaining to volunteers without your consent. Your personal data may be obtained and processed from third parties where the law requires the School to do so, e.g. for the purpose of DBS checks. The categories of data obtained and processed from third parties include:

- DBS
- other places of learning

Where data is obtained from third parties, the personal data originates from the following sources:

- previous employers
- education
- qualifications

## **Data sharing**

For the most part, personal data collected will remain within the School and will be processed by appropriate individuals only in accordance with access protocols (i.e. on a 'need to know' basis).

We do not share information about our volunteers with anyone without consent unless the law and our policies allow us to do so.

All volunteers are reminded that the School is under duties imposed by law and statutory guidance (including Keeping Children Safe in Education) to record or report incidents and concerns related to child safeguarding that arise or are reported to it, in some cases regardless of whether they are proven, if they meet a certain threshold of seriousness in their nature or regularity. This may include file notes within the volunteer and safeguarding files, and in some cases referrals to relevant authorities such as the LADO or police. For further information about this, please view the School's Safeguarding Policy.

## **International transfers of personal data**

We have audited where we store all the personal data processed in the School and by third party services. If a third-party service stores data in the EU or US, we have ensured that safeguards such as standard contractual clauses are in place to allow the safe flow of data to and from the School.

## **How we store this data**

We hold volunteer data for as long as reasonably necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, regulatory, or reporting requirements.

We are aware of the legal hold placed on the destruction of staff and volunteer records by the Independent Inquiry into Child Sexual Abuse (IICSA) and we are retaining volunteer records until the publication of their final report and recommendations about file retention.

We have appropriate security measures in place to prevent personal information from being accidentally lost or used or accessed in an unauthorised way. We limit access to your personal information to those who have a genuine business need to know it. Those processing your information will do so only in an authorised manner and are subject to a duty of confidentiality. We also have procedures in place to deal with any suspected data security breach. We will notify you and the Information Commissioner's Office of a suspected data security breach where we are legally required to do so.
