**Newsletter – 24<sup>th</sup> April 2026**

Dear Parents and Carers,

Welcome back to the Summer Term!

I hope you all had a restful and enjoyable break. It has been wonderful to see the children returning to school with such enthusiasm, positivity, and readiness to learn. The Summer Term is always a special time in the school year, filled with opportunities for growth, celebration, and new experiences.

This term, we will be focusing on our school value of **forgiveness**, particularly through our collective worship. Forgiveness is a powerful value that helps children develop empathy, understanding, and resilience. We will be encouraging pupils to reflect on what it means to forgive others and themselves, and how this can strengthen relationships within our school community.

I would also like to take this opportunity to thank all of you who attended the recent meeting regarding the Ofsted report. We really appreciated your thoughtful questions and the open, constructive dialogue. I hope you found the meeting informative and reassuring. As mentioned, the PowerPoint presentation has now been shared with families for those who would like to revisit the information.

 On a personal note, this is now my third term at the school, and it is hard to believe that I am approaching a full academic year here. It has been an absolute privilege to become part of such a warm, dedicated, and vibrant school community. Every day, I continue to be impressed by the pupils' enthusiasm, the staff's commitment, and the strong support from families. There is so much to celebrate, and I am excited for all that this term will bring.

Kind regards,

**Mrs Holt, Headteacher**

### Building Works

Thank you for your patience and understanding as we replace and upgrade the school fence and the KS1 activity trail. The works have not yet finished so please can we continue to enter and exit via the front car park gates.

Please may we kindly ask parents and carers to drop their children at either the gate, or at the door as the children enter the school, and to swiftly exit via the external gates. This helps to ensure we are following Safeguarding

The PTFA will be organising non-uniform days to help raise funds for the school. All funds raised go directly towards supporting school resources, events, and enrichment opportunities for the children.

PTFA non uniform days for Summer term and suggested donations are:

- 15 May – please bring sweets donations
- 5 June – please bring a bottle donation
- 12 June – please bring a £1 donation

### Curriculum Letters

You should have recently received a curriculum newsletter specific to your child's class today. This newsletter is designed to give you a clear overview of the learning that will be taking place in the classroom over this half term. It outlines key topics, subjects, and activities, helping you to better understand and support your child's learning at home. If you have not received a copy, please let us know and we will be happy to provide one.

### School Uniform Expectations:

We would like to remind all families of our school uniform expectations. It is important that children attend school wearing the correct uniform, including appropriate footwear.

Please refer to the uniform guidance for full details. We would also like to remind families that Crocs are not permitted as part of the school uniform.

In addition, all children should keep a complete PE kit in school so they are able to fully participate in their PE lessons.
